UTILITY WORKER

The City of Sioux City Utilities Department is looking for you: an individual who can perform duties related to the maintenance and repair of the water distribution system, storm and sanitary sewer lines. Employee will be required to operate equipment such as a loader, dump truck, valve truck, backhoe, jet truck, etc. This is very physical and technical work. This will be a third shift position (10:30 pm to 7:00 am) water utility position. Employee will be required to serve on stand-by status on a rotation basis. Annual salary ranges from: $48,760 to $54,528.

Minimum Required Qualifications:
Must be able to obtain the Iowa DNR Grade I Water Distribution Certificate within 12 months and an Iowa DNR Grade II Water Distribution Certificate within 24 months of the date of hire.

Must be able obtain a Class A commercial driver's license with air-brake and tanker endorsement issued by the State of Iowa within 6 months from the date of hire.

Graduation from standard high school or GED and considerable work experience, two to three years, in maintenance, repair and installation of various plumbing devices, equipment, etc.; or any combination of experience and training which provides the required knowledge, skills and abilities.

Applications acceptance is from Friday, March 6, 2020 through Friday, March 27, 2020.
